ADVANCED FUNDAMENTALS

PROGRESSION AND RENEWAL GUIDE

For students progressing from Module 1

Andheri | Khar

YOUR NEXT STAGE

Module 2 is the Advanced Fundamentals stage of your learning journey at Dance Central.

The complete Module 2 curriculum consists of 8 unique batches. Each batch contains 6 classes, conducted twice a week over approximately 3 weeks.

Every batch covers a different part of the curriculum, allowing your learning to develop progressively as you move from one batch to the next.

Salsa and Bachata are developed side by side through shared concepts, theories, partner-work principles and movement foundations. This allows both dance forms to grow together rather than being treated as disconnected courses.

Module 2 is also designed to build social-dancing readiness and give you the confidence to begin applying your learning at **Spicy Latin Socials** and other suitable social-dancing environments.

BY THE END OF MODULE 2

YOU WILL BE ABLE TO

Dance comfortably at
social events

Build confidence with
different partners

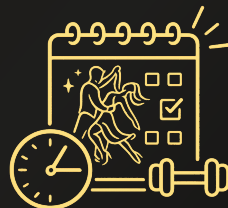

Prepare for Module 3
evaluation

Understand Salsa & Bachata
fundamentals deeply

Improve musical
understanding

Develop independent
practice habits

**CURRICULUM GUIDES THE JOURNEY.
TRANSFORMATION DEFINES IT.**

Progression note

Completing all eight batches means that you have received the full Module 2 curriculum. It does not automatically guarantee progression to Module 3.

Progression depends on attendance, consistency, understanding, application, independent practice, social-dancing experience and demonstrated readiness.

Progression must be earned. It cannot be purchased by merely signing up for classes.

Selecting a longer plan provides continuity and stronger financial value. It does not guarantee faster progression.

IMPORTANT INFORMATION

1. What is a batch?

One batch consists of six classes conducted twice a week over approximately three weeks. Holidays or scheduling changes may extend the duration, but every batch will contain the required six classes.

2. Complete Module 2 curriculum

Module 2 consists of **eight unique** curriculum batches. FLEX, PLUS and MAX are duration and payment plans. They are not separate ability levels and do not contain different versions of the curriculum.

3. Complimentary Module 1 access

Complimentary Module 1 access remains available only throughout your active paid Module 2 duration. It has no separate cash, refund, transfer or adjustment value.

4. Consecutive batches

PLUS and MAX apply to the consecutive batch cycles communicated during your renewal. Exact start dates, end dates and expected holidays will be shared separately on WhatsApp.

5. Evaluation for Module 3

Entry to Module 3 requires an evaluation. Students may be required to submit an Excel sheet and dance videos demonstrating important aspects of the Module 1 and Module 2 curriculum.

A separate evaluation explainer video is available. Serious students are encouraged to request it before beginning their first Module 2 batch so that they understand what needs to be prepared over time.

IMPORTANT INFORMATION

6. Social dancing

Social-dancing experience forms part of your overall development and readiness.

Part of the Module 3 evaluation may need to be recorded while social dancing and submitted to Dance Central.

7. Missing an occasional class

Missing an occasional class should generally be manageable.

Cover-ups may be available because the curriculum runs in parallel across Dance Central centres. All cover-ups remain subject to syllabus alignment, schedule, availability and prior administrative confirmation.

8. Missing an entire batch

Each batch contains a unique part of the Module 2 curriculum.

Missing an entire batch may require you to spend additional time in Module 2 so that the missing curriculum can be completed before progression.

9. Taking a break

Longer breaks may affect confidence, recall and readiness.

Students returning after a break may require a placement review before the appropriate point of re-entry is confirmed.

10. Renewal deadline

Students are provided almost 72 hours to review the information, think, discuss questions with the team and complete payment comfortably. Please review everything early so that the decision does not become rushed or confusing at the last minute.

To maintain fairness and consistency for everyone, renewal deadlines will not be extended.

11. Split Pay

Split Pay is available only where specifically mentioned.

Installment amounts and payment dates are fixed once the plan is selected. Continued access remains subject to timely payment.

MODULE 2

RENEWAL TERMS

1. Primary enrolment

- Module 2 is the student's primary enrolment.
- The centre selected during registration will be considered the student's main centre.

2. Plan validity

- Plans are valid only for the consecutive batch cycles communicated during renewal.
- They cannot be paused, shifted or carried forward unless expressly approved in writing by Dance Central.

3. Complimentary access

- Module 1 access remains complimentary only throughout the active paid Module 2 term.
- It cannot be refunded, transferred, en-cashed or adjusted separately.

4. Registration deadline

- Renewal prices, offers and Split Pay options are valid only until the communicated deadline and remain subject to seat availability.
- Deadline extensions will not be provided.
- Any continuation requested after the deadline, if available, will be charged at Rs. 7,500 for 1 batch only.

5. Progression

- Completion of eight batches or payment for any plan does not automatically qualify a student for progression.
- Advancement remains subject to Dance Central's learning, evaluation and readiness criteria.

6. Evaluation requirements

- Students seeking progression may be required to complete written curriculum submissions, dance-video submissions, social-dancing demonstrations or other applicable evaluation requirements.

7. Missed individual classes

- Cover-ups for occasional missed classes remain subject to applicable guidelines, syllabus alignment, schedules, availability and prior administrative approval.
- A cover-up is not automatically guaranteed.

8. Missed batches

- A missed curriculum batch is not automatically transferred, replaced or extended. The student may need to complete the missing curriculum through additional time or enrolment in Module 2 before becoming eligible for progression.

MODULE 2

RENEWAL TERMS

9. Breaks and returning students

- Students returning after a break may be reviewed before their appropriate module or batch placement is confirmed.
- Previous placement does not automatically guarantee re-entry at the same stage.

10. Payments

- All payments are non-refundable and non-transferable.
- Plan downgrades are not permitted after enrolment.

11. Split Pay

- Students selecting Split Pay must follow the agreed installment dates.
- Failure to make an installment on time may affect continued class access and any associated benefits. Any amounts already paid will remain non-refundable and non-transferable.

12. Schedules and dates

- Schedules, instructors, holidays, batch dates and operational arrangements may be revised when required.
- Any applicable changes will be communicated by Dance Central.

13. Centre changes

- Mid-plan centre changes are not automatically permitted and require prior administrative approval.

14. Combining offers

- Plans cannot be combined with another offer, credit, adjustment or promotion unless expressly approved by Dance Central.

15. Code of conduct

- Dance Central reserves the right to discontinue a student's enrolment without refund in cases of serious or repeated misconduct or violation of programme guidelines.

16. Acceptance of terms

- Making any payment confirms that the student has reviewed and accepted the applicable programme rules, plan conditions and Dance Central policies.

17. Rights reserved

- All admission, placement, evaluation, progression, scheduling and operational decisions remain reserved by Dance Central.
